

Help celebrate National Public Health Week.

The poster features a blue top section with a white cloud-like shape. On the left, the APHA logo is displayed. On the right, the event title and dates are written in white. Below the cloud, a collage of images shows people engaged in various healthy activities: children playing, a family on bicycles, a fruit stand, and people at a clinic. The bottom section is green with a white path leading to a stylized building icon on the left. The main title and subtitle are in blue text.
